**Lancaster, PA, 2022** – OneWell a national home health provider and PA Health Management a statewide LTSS case management has partnered with DailyPay to provide OneWell/PA Health Management’s employees with a critical financial benefit that will support them in their individual financial needs. The collaboration between OneWell/PA Health Management and DailyPay will help alleviate financial stress and to provide employees with exceptional employee benefits.

With DailyPay, OneWell/PA Health Management employees will have instant access to earned pay after completing a shift. Employees can check their accrued balance in real-time and can instantly access their pay-to-pay bills, save, invest, or spend as they need. This allows employees to be in control of their finances – eliminating the need to rely on a traditional bi-weekly pay cycle.

“With DailyPay our employees are paid daily and don’t have to wait 2-3 weeks to get their hard-earned money. This speeds up their financial plan so they are not waiting days between paychecks. We value our employees and want to make sure that these benefits decrease their money related stress.” says Aytekin CEO of OneWell/PA Health Management.

“The power of choice and control over your earned pay can be life-changing,” said Jeanniy Walden, Global Chief Innovation and Marketing Officer at DailyPay. “We’re honored to support the frontline hero healthcare workers at OneWell/PA Health Management with this critical financial wellness benefit.”

OneWell/PA Health Management a well-known leading healthcare industry provider is teaming up with DailyPay to provide its employees with more benefits and easier access to their finances. DailyPay is a financial service provider that supports clients through its digital platform that helps with financial monitoring and banking. Download the DailyPay app for free and have your finances on the go.
