

“DailyPay’s integration into Workday is the perfect addition to our financial wellness benefits package as it enables the team members to access their earned wages to pay bills on their own schedule. The implementation was easy and seamless and we are thrilled to roll this out to our team members.”

— Tj Barron Manager, Benefits & Payroll

About Reddy Ice

- Industry: Manufacturing
- Founded in 1998, went public in 2005
- Headquartered in Dallas, TX
- 1600+ employees
- \$632.9M annual revenue
- Over 82,000 customer locations

Challenge

DailyPay was not receiving the net earnings file in a timely manner, resulting in an inefficient transfer of data. The Reddy Ice team had to repeatedly involve themselves to push the file out manually.

Integration Background

- DailyPay provided the Reddy Ice team with the updated integration steps to enhance performance with minimal complexity.
- Certified solution ensures Workday compatibility and system stability

Results

Improved service model

Elimination of employee self service direct deposit changes

Performance enhancements around load of data, eliminating integration time-outs

Less time investment to configure security

Future compatibility with any Workday enhancements or releases
